Skills

I am a design oriented front-end developer proficient in HTML, CSS, JS and specializing in React. I love to build simple, beautiful and responsive UIs, following the W3C standards. I'm a problem-solver at heart and a quick learner, and I strive in a challenging work environment.

Experience

Product Landing Page / HTML, CSS

[PEW TAMBOURINES](#)

A landing page for an online tambourine store, made with pure CSS.

Markdown Previewer / React

[MINIMAL MARKDOWN PREVIEWER](#)

A simple markdown previewer which outputs a live preview of the markdown input in the editor using React.

Personal Website and Portfolio / HTML, Sass, React

[PRATVAR.COM](#)

Here I showcase my skills, my most recent projects, and whatever I'm currently working on.
